

Fr. Alban Greenwood

Foundation Governor

Term of Office: 1 September 2015 - 31 August 2019
Committee: Christian Character, Curriculum & Standards

In 1979 I was ordained a priest to serve in the parishes of the Diocese of Shrewsbury.

I have been involved in parish life for almost forty years, most recently here in St Patrick's Parish and as the Dean of East Shropshire. I have also served in various diocesan roles - Assistant Financial Secretary, the Bishop's Secretary, and the Chancellor of the Diocese (I was almost like *Pooh-Bah* in *The Mikado!*).

In many of the parishes where I have worked I have been a school governor. This has given me a real passion for the partnership between home, school and parish. I can see what a difference we can make if all three are working together.
