

The Rev'd Tim Carter (MEng (Oxf) MTh)
Foundation Governor

Term of Office: 1 September 2015 - 31 August 2019
Committee: Christian Character, Curriculum & Standards (Chair)

I am the Vicar of All Saints, Wellington with St Catherine's, Eyton, a post I have held since late 2016. Prior to this I lived in Priorslee from 2011, leading Priorslee Open Door Church as a Church of England minister.

I am excited about the opportunities for secondary education and community engagement that Holy Trinity Academy provides. My son started at Holy Trinity in Year 7 in 2015.

I spent the first seven years of my working life as a Sales and Marketing Executive in the Automotive Industry. This has given me experience of setting and working to achieve challenging targets, data analysis, leading teams and in marketing practice that I believe will add value to the Governing Body.

Having trained for ordained ministry in the church, my first post was in Stoke-on-Trent. Whilst I was there, I was asked to join the Governors of a Primary School that had recently entered special measures and was part of the team that appointed a new Head and saw the school move towards its current Good rating.
