

Holy Trinity PTFA

Do you have Children at Holy Trinity Academy? Or perhaps your child will be starting year 7 or another year in September.

If yes and if you have one or all of the following to spare: **Time, Expertise, Funds, Resources, Ideas**. Then the Holy Trinity PTFA would love to hear from you.

The role of the PTFA is to enable cohesion between the school, teachers and parents through social and fundraising events and activities.

We bring together parents, teachers, sponsors and students to raise funds and to have fun doing it! As you can appreciate getting to know other parents in a secondary school setting can be difficult. This is a great way to get to know one another.

With our fundraising, we aim to enrich HTA education by providing equipment and materials to enhance the building and facilities of the school.

We do this by organising a variety of fundraising and social events throughout the year.

Our Objectives

- To organise and run social events creating opportunities for parents, teachers and pupils to enjoy and form good relationships.
- To enhance the experience of HTA by raising funds; used for additional resources.
- To promote positive close co-operation & communication between parents & school.
- To positively promote the school to the local community
- To provide activities & events to support and enhance school provision.
- To consider suggestions from staff, parents and children (via school council) as to how funds should be spent and authorise expenditure.

Our ways of working

There are no minimum or maximum time requirements from members; everyone contributes their time on a voluntary basis. All help is valued and greatly appreciated no matter what it is.
