

Judith Jones
Parent Governor

Term of Office: 14 January 2016 - 13 January 2020
Committee: Buildings, Health & Safety and Safeguarding

I am parent governor with a son at HTA.
I have over 30 years' experience of working in adult social care and this is my day job. I am a registered social worker with many years' experience of managing and leading adult social care services. I have been a Service Delivery Manager and professional social work lead for the Local Authority. My specialist area is adult safeguarding, and I deliver training and specialist advice in this area and in social work practice.

I have strong skills in strategic planning and writing and implementing policy and procedures. Educationally I have an MSc in Social Work & Social Policy from The London School of Economics & Political science as well as holding various management and post qualifying qualifications. This includes being a qualified coach and mentor.

As a parent governor, I endeavour to express the "voice" of the parent as well as offering my professional skills. I am passionate about education and attempt to support the aspiration of every child getting what he/she needs to do her/his very best at HTA whilst being safe and happy.
I live in Telford with my husband and our two children, with other children and grandchildren living nearby! Other hobbies and interests include drawing, blogging and writing and I also teach a regular belly dance class and play Arabic drums!
