

Many thanks to all parents who respond to our surveys.

Here are some parent feedback comments;

Really happy with teachers ideas to send feedback letters. It helped with my daughter's confidence level.

This school definitely appears to have been the most appropriate choice for my child...I am impressed with her progress.

I am really happy with all the feedback and letters we get from teacher when my child has done well in class or when she has put lots of effort in her homework. It really motivate her to do well...thank u to all the staff at holy trinity...

I'm very pleased with her report. Well done .God bless all the teachers

Good communication and support personally and academically. Really pleased!

I'm so happy with the school I couldn't fault it.

Excellent very happy parents

Very happy with our daughter's education.

We have been very impressed with school and how it's been led and the teachers assistance if our child as had any issues

They have made very good progress and enjoys coming to school.

I'm impressed with my daughter's progress at this school
