25th January 2018

Dear Parent / Carer,

On Thursday 15th February 2018, Year 13 will have an Impact Day, as part of our commitment to readying your son / daughter for life after Holy Trinity Academy, be it university, apprenticeship or employment, we have arranged cooking lessons and a 'how to survive in the kitchen' day for them.

We ran this activity last year with great success and it was regarded by many students as enjoyable and as a learning curve.

The Food Technician will lead the students through planning and budgeting meals and then present them with the opportunity to prepare and cook / bake their own meals.

In order to prepare for this day, we need your son / daughter to select from the lists below what they would like to have a go at. There is a **small fee of £3.50** which can be paid by cash or cheque: made payable to 'Telford & Wrekin Council' for this day to cover the cost of the ingredients. It is imperative that the Food Technician has both the selection and money by Thursday 8th February at the very latest. Alternative arrangements will be made for students who don't meet this deadline or who would rather not participate in this particular activity.

Mr Doust (Assistant Head teacher – Sixth Form)

X-----

I would/would not like _____ (name of student) to participate in the Cooking sessions on Thursday 15th February 2018.
