

Parents have recently been informed of their secondary school choices for September. If you were hoping for a place at our school and have not been allocated one, you MUST go through the review process as stated in your offer letter by the deadline of 16/3/18. This is done via the Admissions department at T&W Council. If you are applying for a review for a Faith Place, you should forward the required evidence to Mrs Benting at the school by 16/3/18.

You will be informed by 23/3/18 whether you have been successful in gaining a place at review.

If you are still unsuccessful you will then have the right to appeal. Appeal forms can be downloaded from the school website or collected from the main reception from 23rd March.

You will need to complete the appeal form and return for the attention of Mrs Benting by 6th April 2018.

Thank you
