25th February, 2019

Dear Parents and Carers,

I would like to invite you to our Year 10 Parent's Evening which is being held on Tuesday 5th March 2019 from 3:30-6:30pm. This evening gives the school and parents an invaluable opportunity to review your child's progress. It also allows us to give praise to the overwhelming majority of students who have made a positive and mature start to their GCSE courses.

The format of the evening is a short meeting with some of your son/daughter's teachers. It is unlikely that you will have time to visit all teachers so we encourage parents to prioritise appointments in the subject areas where there may be particular concerns or strengths.

Appointments will be made using the parent booking system. The link for the booking system is on the main page of the school website. Appointments will go live on Tuesday 26th February and will close on Sunday 3rd March.

As you will already be aware, we use the Sims Parent Online system to provide feedback for your child. Staff will be available to support any parents who are experiencing difficulties in accessing this system.

A reminder that Year 10 Work Experience takes place during the week of 8th – 12th July. Students should now have organised their placements.

If you have any questions regarding this matter please do not hesitate to contact me.

Yours sincerely

Mrs A Welsh
