

Theme: Epiphany

We are all on a journey of one kind or another ... and given the recent change in our situation with lockdown measures now in place that journey has taken a few more twists and turns. But it good to know that our politicians have reminded us that there is a light at the end of this tunnel / journey. Like the Magi, we are following that light to lead us to better times.

The Feast of the Epiphany reminds us that God loved us all enough to send His Son into the world; that Christ is here for all people and that all are welcome to journey / come to Him.

[Mr Doust]

Prayer:

We are drawn to your feet in worship
Your creation facing its creator
Hearts laid bare by your light
Humbly asking for your mercy.
We come to you as a people in need
of assurance and forgiveness.
We come to you as a people in need
of healing and wholeness.
We come dependent upon your love.
Draw us close.
Enfold us in your arms.
Fill us with your Spirit
that we might reflect your light
within this dark world,
speak your Word with boldness
and draw others to your feet.
We ask this through your dear Son Jesus Christ.
Amen

Pope Francis:

'The wise men represent men and woman who seek God in the world's religions and philosophies: an unending quest... Like the Wise Men, Christians must continue to journey closer and closer to the Lord, attentive to the signs of God's presence, untiring and courageous.'
