Statement of intent

Educational achievement and subsequent life chances for looked after and previously looked after children are of a real concern. Pupils who are looked after and previously looked after require special treatment and additional attention in order to improve their situation.

Holy Trinity Academy endeavours to provide positive experiences and offer stability, safety, and individual care and attention, for all our pupils. With this in mind, we aim to:

- Encourage pupils to reach their potential and to make good progress in relation to their professional, social and emotional development.
- Ensure that pupils enjoy high quality teaching and a curriculum which meets their needs and the requirements of legislation.
- Plan support for looked after and previously looked after children realistically and using the school's resources efficiently in order to ensure the school meets their needs.
- Promote a positive culture in all aspects of school life.
- Help pupils develop their cultural, moral and social understanding.

Working with the wider corporate parenting team we will take an active role in applying the principles of good parenting by:

- Giving priority to education
- Listening to children
- Providing stability and continuity
- Taking corporate responsibility
- Promoting inclusion
- Raising standards
- Intervening early
- Promoting early years experiences and post 16 progression
- Celebrating success.

We recognise that in meeting the needs of Children in Care, we will also be providing the additional care and support many other children also need; the needs of children in care are often those of other children too.

15. The PEP will reflect the importance of a personalised approach to learning which meets the identified educational needs of the child.

16. The school will work with other professionals and the child's carers to use the PEP to support the child's educational needs, raise the child's aspirations and improve their life chances.

17. All relevant bodies, such as the LA, the designated teacher and carers, will involve the child in the PEP process at all stages.

18. The PEP will address the pupil's full range of education and development needs, including:

- If relevant, access to quality nursery provision that is appropriate to the child's age.

- On-going catch-up support, which will be made available for children who have fallen behind with work.

23. The school will complete daily online attendance records which will enable to the VS to monitor the attendance of CiC and react promptly if attendance falls or unexplained absences occur. For some CiC it is essential that the VS has this information on a daily basis.
24. Behaviour management strategies will be agreed between the VSH and the school, to ensure challenging behaviour is managed in the most effective way for that individual child.
25. The designated teacher for CIC and PLAC will communicate with the VSH and child's social worker to facilitate the completion of the PEP. **NB PEP dates are set through the virtual school and any changes should only be made through the virtual school.**

regarding a child's needs and how to support them in relation to behaviour management and mental health.

34. The designated teacher will work with the VSH to ensure the school is able to identify signs of potential mental health issues, understand the impact issues can have on CiC and PLAC, and when appropriate, knows how to access further assessment and support

35. To measure, if necessary, the emotional and behavioural difficulties experienced by CiC. A Strengths and Difficulties Questionnaire (SDQ) will be used to help social workers and other relevant professionals to form a view about CiC's emotional wellbeing. Teachers will regularly complete their element of the questionnaire to assist social workers in their assessment.
