

YEAR NINE OPTION INFORMATION FOR ART

Pupils study from the **Oxford, Cambridge + RSA** syllabus - intellectually rigorous + highly regarded. www.ocr.org.uk

GCSE ART our aim is provide a first rate, creative education that will enable our pupils to make a positive social and cultural contribution

You will need art for the following... architecture, website design, teaching, graphic design, advertising, ceramics, media, textiles, film making, illustration, sculpture, photography, computer gaming, computer graphics, publishing, animation, jewellery, photo imaging, gallery/museum curation, art historian, theatre working, pottery, fashion, computer aided design, print making, TV, interior /landscape design

The expressive nature of art and artistic ways of thinking complements the scientific, mathematical and theoretical subjects well. At Holy Trinity, year ten pupils create two dimensional, drawn, painted + mixed media studies and also work in three dimensional sculptural form. Past themes have included; High Colour + Photorealism, Cityscape + Street art and Distortion + DeStijl. Year eleven pupils specialise further to create a substantial and personalised final art work. We are proud of our achievement and in 2015 over 82% of pupils gained an A*-C in art. The course relies on 60% coursework and 40% examination.
