Year	No. of Candidates	Progress (A Levels only)	A* to B	A* to E	Avg. Grade

The School is immensely proud of its KS5 results. The Sixth Form has had a small cohort for several years and so truly every student, and every examination paper, counts.

The fact that Holy Trinity Academy achieved a positive Progress Score means that on average our students do better than expected. This is a significant feature of our Sixth Form and not one that many Sixth Forms in Telford and Shropshire can claim:

School	Progress (A Levels only) [August 2018]
Thomas Telford School	+0.14
Holy Trinity Academy	+0.07
Idsall School	-0.06
Adams Grammar	-0.10
Abraham Darby	-0.15
Newport Girls' High School	-0.39

In terms of destinations, 100% of our students went on to their first choice destinations.
