

WELCOME TO HOLY TRINITY ACADEMY'S SIXTH FORM

Thank you for showing an interest in our Sixth Form. Here at Holy Trinity Academy we have a fantastic Sixth Form. For the past 4 years our Sixth Form has gone from strength to strength, achieving results that now place it firmly into the top 3.5% of the country and making it the highest achieving Sixth Form in Telford. Therefore we welcome highly motivated students who share a common aim with their subject tutors and staff to ensure that these years are well spent and have successful outcomes.

For our students, Sixth Form represents two short but very special years of their lives. Whilst academic development has a very strong emphasis, we see this as only one aspect of the development of the whole person. Therefore, at Holy Trinity Academy Sixth Form we seek to create a unique and special learning community for everyone. Our Christian community works hard together to provide an experience that has life and learning at its heart and is always reflective of the values of the Gospel.

Even though independent learning is key to success, our Sixth Form students are always well supported by experienced Sixth Form subject tutors and staff who provide a high level of support and guidance, both pastorally and academically. This will enable students to maximise their potential both working as an individual and as part of a wider community.

Our Sixth Form Community has a dedicated work space with access to the latest technologies, including an individual laptop for the duration of student time in the Sixth Form. Sixth Form students have full access to the resources of the school that include the state of the art Science laboratories, ICT suites, Art and Media rooms, Performing Arts facilities and a wide range of flexible learning spaces for use across all subject areas.

Students follow a personalised programme of study with a wide range of A Level courses offered and all students complete an Extended Project Qualification. All students are also expected to take an active part in the Pastoral programme and Enrichment Activities, allowing them the opportunity to develop new skills.

Our Sixth Form is somewhere students can prepare for the next stage of their lives. The life of the Sixth Form is about preparing all of our students for the outside world and equipping them with the skills, qualifications and attitude needed to be successful. In this sense, motivation from all those associated with the Sixth Form is key.

You will find further details about Sixth Form life in this section of the Holy Trinity Academy website. We look forward to receiving your application.

Mr J Doust
Key Stage 5 Manager
