

Sue Fitzsimmons  
Foundation Governor  
(Diocese of Shrewsbury)

Term of Office: - 21/3/2019 - 20/3/2023

Committee: Christian Character, Curriculum & Standards (Chair)

I have spent all my working life in the Education sector mainly within a primary school setting. I held various roles and was a Headteacher for five years. I then moved into Museum Education and for eight years led the Access & Learning Departments for two National Museums, developing sessions for students aged 5 – 16 years that used the museum collections and artefacts to provide learning activities that supported National Curriculum objectives.

I am married with two adult children and five grandchildren.

I retired in 2014 and since then have spent my time travelling, pursuing my hobbies, and visiting family. I am currently working on our family tree and enjoying the challenge of finding out about my ancestors. A very time consuming but fascinating task.

I am an active member of the Good Shepherd Parish, Madeley and part of a music group that supports the congregations at weekly Mass and other parish celebrations.

I am looking forward to working with my fellow governors to support the staff and students of HTA and so ensure a happy and successful academic and pastoral life for all.
