

Year 7 & 8 summer school August 21

The objectives of the summer school were:

- to allow students to become familiar with the layout of the school
 - meet other students and teachers
- develop a love of reading and introduce students to our reading programme

Students enjoyed sharing the book “Weight of water”

This stunning novel from multi-award-winning author Sarah Crossan explores how to pick up the pieces when everything you know is turned on its head and you have to start all over again.

Other activities included

- Archery
- Gardening
- Science
- STEM
 - Art
 - PE

Government funds were spent on the following:

Staffing £25,849.47

Equipment £14,976.6

Equipment purchases included art materials, garden equipment, technology equipment, weight of water books, archery and science equipment.
