Once again, our Year 13 students have achieved fantastic results. The Sixth Form have a proud history of producing outstanding results and this year is no different. This is a testament to the hard work of both the students and the staff.

It isn't just the fact that all our Year 13s passed all of their examinations with grades no lower than a grade C, it is the manner in which they conducted themselves over the past 2 years in and out of lockdown .... It has been their commitment to school life, managing to enjoy their learning and prepare for life post-Holy Trinity Academy.

*'It's a mixture of relief and over whelming joy!'*

The students will now go on to study a range of university courses from Engineering Physics to Primary Education, from Biomedical Sciences to English & Film / TV studies at universities such as the University of Loughborough and Keele University. Holy Trinity Academy Sixth Form continues to be diverse and cater for students of all academic backgrounds.
