

**Hello! I'm Rev'd Charlotte Cheshire and I'm the new Chaplain here at Holy Trinity. I will be on campus from Tuesday to Friday each week.**

**I'm an Anglican Priest, ordained here in Lichfield Diocese in 2014, although most recently I ministered in Huddersfield in the Anglican Diocese of Leeds where I was responsible for two parish churches and the multifaith university chaplaincy. Prior to that I was at All Saints Wellington here in Telford with some time spent working with the chaplains at Birmingham Children's Hospital. In one form or another, chaplaincy has always been part of my ministry!**

**I live in Newport with my son, Adam, who has multiple disabilities and is absolutely gorgeous but very complex (he's a survivor of the local hospital scandal and part of the 'Ockenden Review'). Unfortunately, I was widowed in 2020 when I lost my husband to cancer so it's just the two of us now, together with the two cats (Angus and Schrodinger) who graciously allow me to serve them. So yes, I am that crazy cat lady 😊**

**Gradually, you'll be seeing me getting more involved in the spirituality side of the school but in the meantime, I'm based in the chapel so please do come and say hello or contact me at [charlotte.Cheshire@holytrinity.academy](mailto:charlotte.Cheshire@holytrinity.academy)**
