

**Our mission** - 'To create and sustain an inclusive and outstanding learning community for all, rooted in the teachings of Jesus Christ, in which all will aspire to excellence in learning, teaching and care for one another, so all will achieve and grow as unique individuals made in the image of God'.

**Our Core Values;**

***Faith, Aspiration & Unity***

We are committed to providing a positive working environment, which is free from prejudice and unlawful discrimination and any form of harassment, bullying or victimisation. We have developed a number of key policies to ensure that the principles of Catholic and Church of England Social Teaching in relation to human dignity and dignity in work become embedded into every aspect of school life and these policies are reviewed regularly in this regard.

## **EDUCATIONAL VISITS AND JOURNEYS – POLICY & GUIDANCE**

### **[1] Policy Statement**

This policy is essential for all those who have responsibility for the approval, planning and / or execution of any educational visit.

All visits must be planned and organised in accordance with this document. The status of this document is mandatory for all Telford & Wrekin community and voluntary controlled schools.

Schools / Establishments, school staff and course providers have a duty of care to their children and young people, any accompanying adults, each other and themselves to ensure that they are kept safe and well and, that, in the event of any incident, they are able to respond appropriately in order to minimise the risk of harm.

The School governors recognise and accept their responsibility to set out systems, procedures which enable all members of the college community to participate in Educational visits and Journeys. To participate in such activities in ways that limit the risk of injury, accident, damage or work related illness to an acceptable minimum.

The governors and senior leadership team (SLT) will take all reasonably practicable steps within their power to fulfil their responsibility for providing a safe and healthy environment on Educational visits and Journeys and provide appropriate insurance cover.

The operational framework for Educational visits and journeys will use the T&WC Policy and Guidance for Educational Visits Sept 2019 as a reference document. *This document has been incorporated into this policy as guidance to all HTA stakeholders.* This document can also be accessed via the academies shared drive (T/drive) educational visits section. A hard copy can be obtained from the Educational visits Co-ordinator. The governing body will adhere to the legal responsibilities as set out by T&WC and LA in the statement below.

### **[2] Local Authority**

T&WC has adopted the OEAP National Guidance. This will ensure that this Guidance for Educational Visits and Journeys reflects nationally recognised standards. To ensure that the most up to date National Guidance is accessed, please ensure you do so via the OEAP website: <http://oeapng.info/>

This Policy/Guidance document can be accessed through the T&WC Educational Visits Service Level Agreement which can be accessed by emailing [Ed.visits@telford.gov.uk](mailto:Ed.visits@telford.gov.uk). All associated guidance, training information, events and resources are found on the webpage: <http://www.twccommercial.co.uk/educationalvisits> and also within the documents section of your establishments EVisits site.

OEAP National Guidance is written and kept up to date by leading and informed professionals and replaces the previous T&WC / Shropshire Guidelines. This Guidance contains specific additional detail and clarification that has developed through input from the T&WC Health and Safety Team, Head Teachers, Educational Visit Coordinators (EVCs) and the Outdoor Education Service.

In the event of any apparent conflict between T&WC Guidance, HTA's policy or National Guidance, then T&WC Guidance must be followed and clarification sought from the Educational Visits Co-ordinator, Outdoor Education Advisor or management.

Throughout this document, reference will be made to individual OEAP guidance documents; these are the key documents but further information may exist. T&WC recommend the use the OEAP website and its search function, and that the most current version of a document is always used.

### **[3] Local Authority Responsibilities**

The Local Authority is responsible for:

- i) An Outdoor Education Advisor accredited by the Outdoor Education Advisors' Panel
- ii) T&W Local Authority Policy and Guidance for Educational Visits and Journeys which is compliant with Department of Education's guidance 'Health and Safety on Educational Visits' (November 2018) and adopts the Outdoor Education Advisor Panel's National Guidance.
- iii) Forms 16A to 16H and the E-Visits software system with associated training and support. That the new Form 16A matches the EVisits software.
- iv) Initial and revalidation training for Educational Visits Coordinators (compulsory role for all schools)
- v) Termly network meetings for Educational Visits Coordinators (Minimum attendance of 1 meeting per school year will count as revalidation instead of repeating the EVC training if preferred).
- vi) Email and telephone support with response time within 5 working days.
- vii) Monitoring of visits.
- viii) Approval of Category 2b Educational Visits; outdoor adventurous activities both on/off site, residential visits, visits overseas and their associated journeys via EVisits.
- ix) Webpage for guidance, events and resource: [www.twccommercial.co.uk/educationalvisits](http://www.twccommercial.co.uk/educationalvisits)
- x) Outdoor Learning and Leadership and Professional Development programme (fees will vary).

### **[4] Legal Responsibilities of the Academy**

The organisation of educational visits and journeys and learning outside the classroom gives rise to the same duty of care as any other academy activity. Proper and reasonable arrangements for the care and safety of the pupils must be made. This responsibility rests with Educational Visits Co-ordinators (EVCs), party leaders and ultimately the Headteacher.

This responsibility includes the reporting and recording of any accidents, incidents and/or near misses and the meeting of any other relevant reporting requirements that may apply.

Only a Court of Law can decide whether arrangements in particular circumstances were reasonable or not. Advice given by the LA, either generally or specifically, must be followed at all times.

The status of these guidelines is, therefore, mandatory for all T&WC maintained, community and voluntary controlled schools. The guidelines should be followed by all Council staff organising visits and journeys for children and young people including those working in the Youth Service. The guidelines include the requirement to notify the LA well in advance, giving at least six weeks' notice of visits abroad and/or involving high risk activities.

These guidelines are commended to academies, foundation and voluntary aided schools, as employers, to adopt in full for the planning and organisation of their educational visits and journeys. Any academy, foundation, voluntary aided or free school choosing not to follow these guidelines must have other guidelines in place for educational visits and journeys which should be at least as comprehensive as these.

Therefore, as a school, we must adhere to these responsibilities and:

- i) Ensure the School holds a current Educational Visits and Journeys SLA.
- ii) Appoint an Educational Visits Coordinator (EVC) and make sure they have the training they need. The Head Teacher has this duty if there is no coordinator. The EVC works with the T&WC Outdoor Education Adviser to help their colleagues in schools to assess and manage risks.

The EVC should:

- be an experienced visits leader

- have the status to be able to guide the working practices of other staff
  - be confident in assessing the ability of other staff to lead visits
  - be confident in assessing outside activity providers
  - be able to advise Head Teachers and Governors when they're approving trips
  - have access to training, advice and guidance
- iii) Must have an emergency response plan that covers what to do if there is an incident during an Educational Visit or adventurous activity on site. This must be part of the School's Emergency Plan. This plan must include communications plan that covers how routine communications should be handled, including regular check-ins and calls to reassure people. Visit Leaders must be familiar and confident with these plans.
- iv) When using an external organisation or provider are responsible for checking they have the appropriate safety standards and liability insurance. There should be an agreement that makes it clear what everyone is responsible for, which is especially important if the organisation or provider is taking over supervision of the young people. The school/establishment is responsible for making sure required dietary, allergen, medical and behavioural information for both staff and young people are communicated as appropriate.
- v) Evaluate all visits once they have concluded from the planning through to the visit itself. Schools are required to keep a record of any incidents, accidents and near misses. This will help with evaluation of the value of the visit and to learn from any incidents which took place and inform the management of future visits.

## [5] Headteacher Responsibilities

The Headteacher must ensure that visits comply with regulations, guidelines provided by the LA and / or Governing Body and the school's own health and safety policy. They should ensure that the party leader is competent to monitor and manage the risks throughout the visit.

## [6] Clarification of Roles

All visits and Outdoor Learning activities will follow the hierarchy below and this is used in both the paper based and E Visits systems:

<b>Visit Leader (VL)</b>	- Initiates, plans and runs the visit and / or Outdoor Learning activity and on return completes an evaluation.
<b>Educational Visits Co-ordinator (EVC)</b>	- Checks the plans and associated documents, gives outline approval, monitors progress, assesses the success (or otherwise) and provides feedback to improve future visits or Outdoor Learning activities. Under T&WC Employer Guidance every school/organisation <b>must</b> have an EVC and they <b>must</b> be registered with the Outdoor Education Advisor and be current.
<b>Outdoor Education Advisor</b>	- For the higher risk / more complex visits the Outdoor Education Advisor checks the plans and associated documents, gives LA approval (or otherwise) and provides training, advice and guidance to improve future visits or Outdoor Learning activities.
<b>Head Teacher/ Senior Manager</b>	- Checks that essential elements for the visit or outdoor Learning activities are in place and <b>must</b> give their approval by signing the Form A (or equivalent)

## Governors

– Determine which visits and Outdoor Learning they would like to be notified of in advance to give their prior approval. It is their responsibility to ensure an Establishments Visits Policy is in place for their school/organisation as part of their health and safety statutory requirements. This Establishment Visits Policy should clarify any establishment-specific requirements of these and other roles within your school/organisation. Any delegation of key areas of responsibility, such as assessment of competence or approval must be clear. The policy should also set out the criteria for selecting the EVC, if these are different from those recommended in National Guidance.

Refer to OEAP National Guidance 3.1b **Establishment roles and their inter-dependence** for further details.

## [7] Procedural Requirements

This guidance applies to all situations where adults acting in the course of their employment have responsibility for children and young people taking part in educational visits and on site adventurous activities.

HTA must have a trained EVC who has either been trained by T&WC or has, within 3 years, revalidated their training obtained elsewhere by attendance at a T&WC EVC course. EVCs must attend at least 1 out of 3 Network Meetings each year. Every EVC **must** attend at least one T&WC EVC training course and then maintain subsequent revalidation. Attendance at Network Meetings is recorded and used for revalidation of the EVC role every 3 years. EVCs are also welcome to attend repeat EVC training if this is deemed appropriate. The numbers of EVCs required by the school / establishment is a decision for the Head Teacher / Senior Manager.

Educational Visits and journeys are placed in 3 categories:

**Category 1. Routine activities covered by generic risk management.** These are off-site activities and outdoor learning on-site activities that take place during school hours and which are a normal part of a child's education. These involve no more than an everyday level of risk, such as slips and trips, and are covered by a school's current policies and procedures. They only need a little extra planning beyond the educational aspect of the trip. They can be considered as lessons in a different classroom. These would include the use of the school grounds for enhancing the delivery of the curriculum including data collection and local studies. Also included typically would be regular visits to a library or place of worship. Routine PE fixtures although not covered by Educational Visits and Journeys Guidance would be another example.

**Category 2a. Visits and / or journeys that require enhanced planning and event / journey specific risk management but are NOT residential, overseas or adventurous.** These visits require one-off consent, parents **must** be given specific information about the visit and their child's proposed participation, and **must** also be given the opportunity to withdraw their consent should they not wish them to participate. Examples will include visits that extend beyond the school day (out-of-hours), longer journeys that involve breaks e.g. for toilets and food stops, and larger public venues such as national museums and cultural events.

**Category 2b. Visits that are residential, or require travel overseas, or are adventurous in nature.** These require detailed planning to reflect the challenging environments, locations, and higher risk activities. The activities in this category require enhanced Leader competence. These visits are those that are any of the following:

- Residential visits
- Visits that involve travelling outside England, Scotland and Wales
- On-site adventurous activities
- Off-site adventurous activities
- The associated journey and travel arrangements

Adventurous activities both day/residential and both on/off site include:

Multi activities (from below)	Abseiling	Airborne: all types
Archery	Assault course	Bell boating
Bushcraft	Camping in wild country	Camping on campsites
Caving	Clay pigeon shooting	Climbing: indoor & outdoor
Coasteering	Cycling on tracks & roads	Dog sledging
Dragon boating	Field studies: natural envt.	Forest School
Free running	Go karting	Gorge walking
Ghyll scrambling	Hang gliding	Horse/pony riding
Hovercraft	Improvised rafting	Jet skiing
Kayaking	Kite surfing	Mine exploration
Motorised sports (all)	Mountain biking	Mountain boarding
Open canoeing	Orienteering	Paintballing
Paintballing	Pot-holing	Powered boats inc. safety
Ropes courses	Rowing	Sailing
Sand yachting	Scuba diving: lake & sea	Scuba diving: indoor pools
Segway	Shooting	Skateboarding
Skiing & snowboarding	Snorkelling	Surfing/body boarding
Swimming: not lifeguarded	Trampolining out of PE	Walking: hill & moorland
Walking: Lowland	Walking: Mountain	Water skiing
White-water rafting	Wind surfing/sailboarding	

EVC's will audit Category 1 and 2a Visits and / or journeys themselves, and refer Category 2b visits to the Outdoor Education Advisor. At HTA, all visits are given final approval by the Head Teacher.

This process is supported by a software system called 'EVisits' which has replaced the Form 16A. EVisits is provided as part of the SLA and accessed on request through: [EdVisits@telford.gov.uk](mailto:EdVisits@telford.gov.uk) EVisits is the required system as it includes Visit Leader profiles, secures data and has clear reporting lines. All Category 2b Notifications to T&WC and the Outdoor Education Adviser are required through EVisits.

**Category 1 visits and / or journeys.** These will be organised through the general school planning. Generic risk assessments must be in place and available for the EVC for process checking. Submitted to the Headteacher for approval as part of annual curriculum for approval.

**Category 2a Visits and / or journeys.** Visit Leaders complete Forms A and C (and D if relevant) to the EVC for process checking. On receipt of the Forms from the Visit Leader, the EVC must check that all required information is completed fully and submit to the Head Teacher for approval.

**Category 2b Visits and/or journeys.** Visit Leaders complete Forms A and C (and D if relevant) to the EVC for process checking. On receipt of the Forms the EVC must check that all required information is completed fully and submit to the Head Teacher for approval. Once the Head Teacher has approved the Visit, **Forms A and C (and D if relevant)** are submitted to the Outdoor Education Adviser for process checking and approval and notification to T&WC.

T&WC strongly recommend that all those who lead learning outside the classroom activities undertake Visit Leader Training to meet OEAP National Guidance requirements regarding leader competence. Leaders must be current in their knowledge of expectations of good practice, so update refresher training is also strongly recommended. Schools and other educational establishments may find training for Visit Leaders can more successfully be delivered to whole staff on training days. There is a 3 hour theory module or a 6 hour theory and practice full course available – both accredited with the OEAP and nationally recognised.

T&WC requires any commissioned provider, purchased or otherwise, providing educational visits and Outdoor Learning activities to work within the National Guidance and to be able to demonstrate their compliance through a quality standard, accreditation or scheme e.g. Learning Outside the Classroom Badge. The Form D: External Provider

Declaration is a generic way to audit a provider's compliance if required. Please note it is NOT a requirement to ask for copies of Risk Assessments from a Provider although a Safety Management Summary should be available for inspection and a reputable provider will provide the necessary information to inform and support a Visit Leader in their planning and risk management.

Category 2b educational visits submission to the Outdoor Education Adviser is required **four working weeks** before the departure date. This is to allow any recommendations to be considered and implemented. Forms will be considered after this 4 week period but a response cannot be guaranteed. Advice may also be sought well in advance if a visit and/or journey is particularly complex for any reason. Notification forms may be submitted via E Visits or the email address: [Ed.visits@telford.gov.uk](mailto:Ed.visits@telford.gov.uk)

Duke of Edinburgh Award Expedition. This guidance applies to DofE training and assessed expeditions and practice walks. Forms A, C (and D and G, as relevant) and route information clearly marked on a map to be submitted to the Outdoor Education Adviser **four working weeks** before the departure date. This is to allow any recommendations to be considered and implemented. Forms will be considered after this 4 week period but a response cannot be guaranteed. Notification forms may be submitted via E Visits or the email address: [Ed.Visits@telford.gov.uk](mailto:Ed.Visits@telford.gov.uk).

## [8] Monitoring

HTA will ensure that there is sample monitoring of educational visits and learning outside the classroom activities undertaken. Such monitoring should be in keeping with the recommendations of OEAP National Guidance. There is a clear expectation that the monitoring function is a delegated task to the School, principally carried out through systems put in place by the EVC.

T&WC will monitor through the notification process.

## [9] Induction, training, apprenticeship and succession planning

T&WC offers training to assist educational establishments in discharging their duties with regards to educational visits and journeys, as follows:-

<b>Educational Visits Co-ordinator</b>	ALL EVCs must hold a current EVC training certificate (valid for 3 years). T&WC provide 6 hour OEAP accredited initial and revalidation training for Educational Visits Coordinators as part of the core package. Also provided are termly Network Meetings for Educational Visits Coordinators as part of the core package. Attendance at these meetings can be used for revalidation rather than repeat attendance at EVC training (minimum attendance of 1 meeting per school year will be required). A certificate is issued by T&WC and a record of EVC course attendance is kept.
<b>Visit Leader Training</b>	OEAP accredited Visit Leader Training (Theory and Practical) is offered by TWC as a recommended option for EVCs and staff leading and/or taking a key role on an Educational Visit.
<b>Management of Visit Emergencies</b>	T&WC also offers the OEAP accredited Management of Visit Emergencies (MOVE) 3 hour scenario based course for EVCs and Managers. This is an expanded section of the EVC Training course.
<b>Endorsement of Visit Leaders</b>	OEAP National Guidance provides clear advice regarding the assessment of Visit Leader competence. It is an expectation as part of this guidance that all leaders and their assistants have been formally assessed as competent to undertake the responsibilities of leading the

educational visit or learning outside the classroom activity. To be deemed competent, a Visit / Activity Leader, or Assistant Leader must be able to demonstrate the ability to operate to the current standards of recognised good practice for that role. All staff and helpers must be competent to carry out their defined roles and responsibilities. The OEAP Education Visit Leader course attendance is an indicator of competence. OEAP National Guidance sets a clear standard to which leaders **must** work. EVisits includes Staff Profiles to evidence and ratify competence – Required for Category 2b Visits.

### **Accompanying Staff**

Staff participating in educational visits and learning outside the classroom activities must be aware of the extent of their duty of care and should only be given such responsibilities as are in keeping with the above guidance. It is particularly important that careful consideration of competence issues is applied to both newly qualified and newly appointed staff.

### **Volunteers**

Adults volunteering are required to follow the instructions of the Party Leader and the school staff and help with ensuring the health, welfare and safety of the children. They may be allocated a group to supervise and help but not be left in sole charge of the children. Where a Volunteer helper is a parent (or otherwise in a close relationship to a young person taking part in the visit) they should be aware of their roles and responsibilities with regards their own, and other children. The Visit Leader should directly address this issue as part of the Risk-Benefit assessment. The Form G is provided to assist.

### **Additional Outdoor Education Courses**

Additional and specific training courses are also provided to support Visit Leaders; examples include First Aid appropriate to Educational Visits, Water Margin Safety Management, Outdoor Leadership Awards (e.g., Lowland Leader), The John Muir Award, Outdoor Learning linked to curriculum delivery, and first hand data collection through field studies. School/establishment bespoke courses are also available on request and content can be adjusted to needs and time available.

### **Apprenticeship model**

Competence is a combination of skills, knowledge, awareness, judgement, training and experience. It is not necessarily related to age or position within the establishment. It is situational – a leader who is competent in one activity or environment may not be so in another - and it involves breadth as well as depth. Relevant experience is not necessarily gained by repeating the same thing several times, but by experiencing a range of different activities and environments. Shadowing an experienced and competent Visit Leader, can develop accompanying staff in preparation to becoming the future Visit Leader themselves. By taking responsibility for less complex and lower risk visits first, skill sets can be developed and confidence built.

### **Succession**

To avoid a visit becoming dependent on one individual succession planning is required. Planning for a visit should also include consideration of the possibility of the Visit Leader or an Activity Leader becoming incapacitated. An Assistant Leader can contribute to supervision, support the Visit Leader with agreed aspects of the visit and act as deputy for a Visit Leader. At the same time the Assistant Visit Leader will be developing their experience and competence for the future.

## **[10] Risk management, risk-benefit assessment, ratios and effective supervision**

T&WC, as an employer has a legal duty to ensure that risks are managed - requiring them to be reduced to an “acceptable” or “tolerable” level. This requires that suitable and sufficient risk management systems are in place, requiring the employer to provide such support, training and resources to its employees as is necessary to implement this policy. The risk management of an activity should be informed by the benefits to be gained from participating. T&WC strongly recommends a “Risk-Benefit Assessment” approach, whereby the starting point for any risk assessment should be a consideration of the targeted benefits and learning outcomes. HSE endorse this approach through their “Principles of Sensible Risk Management” and advocate that it is important that young people are exposed to well-managed risks so that they learn how to manage risk for themselves.

There is a requirement for the risk assessment process to be recorded in writing / electronically and for suitable and sufficient control measures to be identified for all significant risks i.e. those that may cause serious harm to individuals. Form C is provided for this purpose and has two styles of risk assessment which a Visit Leader may choose from. ‘Form C with notes’ gives assistance with this process. When completing a risk assessment it is essential to focus on what is important, to keep this group of children, safe on this day, with these staff, doing this activity - be specific and avoid over generalisation. The risk assessment must include the safety of staff, volunteers and members of the public. The risk assessment shows the Visit Leader’s thinking and then informs the ‘how’ the visit is going to be managed safely, which can then be shared.

Risk assessment is included in both the EVC, Visit Leader and MOVE training and regularly included in EVC Network Meetings. T&WC Health and Safety Team also provide training.

School risk assessments are required with the submission of a Form A. Risk assessments from a Provider are not required, evidence of their management of risk can be shown through their Safety Management Statement and relevant accreditation e.g. the Learning Outside the Classroom Badge, Schools Travel Forum or the Adventure Activities Licence. If no recognisable accreditation is available please request the completion of a Form D – ‘External Providers Declaration’

Ratios and effective supervision Schools and establishments must ensure that the staffing of visits enables leaders to supervise young people effectively. Decisions about the staffing and supervision should take into account:

- i) The nature and duration of the visit and the planned activities.
- ii) The location and environment in which the activity is to take place
- iii) The nature of the group, including the number of young people and their age, level of development, gender, ability and needs (behavioural, medical, emotional and educational).
- iv) Staff competence.  
The consequence of a member of staff being indisposed, particularly where they will be the sole leader with a group for any significant time.

Staffing ratios are a risk management issue, and should be determined through the process of risk assessment. It is not possible to set down definitive staff / participant ratios for a particular age group or activity.

TWC provide the following ratios of staff: young people for guidance with staff numbers capable of being decreased if the risk assessment supports it. (The term ‘staff’ here includes all competent adults provided by the school).

*School years 7 onwards, 1:15 (overnight minimum 1:10)*

When planning a repeat visit or a series of activities, it is important to review the previous plan (no matter how well it worked in the past) so as to ensure that it meets current group needs and any other changes (e.g. time of year and experience level of the staff).

## [11] Assessing venues and providers

Where possible, an exploratory visit will give the party leader greater confidence in their ability to supervise the pupils. It will help the party leader to concentrate on the needs of the group as well as the unexpected demands of the environment. The aim of the exploratory visit is to:

- ensure that the venue is suitable to meet the aims and objectives of the visit
- undertake a full appraisal of learning opportunities and experiences
- identify what facilities are available and what the leader will need to provide
- establish the level of care and supervision which will be required
- identify any special problems or hazards and the organisation and expertise required to cope with them
- establish what information the provider will need and by when
- consider what alternative activities are available if those planned could be adversely affected by weather or other changes.

If a visit is impractical the same information needs to be gathered by other means –from the venue or provider, previous visit leaders, other users and local information sources.

Use the Form 16D as a guide to selecting a provider and / or accommodation but take advantage of established national approval schemes such as:-

- Learning Outside the Classroom Badge
  - Adventure Activities Licence
  - Schools Travel Forum
- (See TWC resource 'Know your Badges')

For providers who do not hold external accreditation, please see Form D External Providers Declaration which is a pre - visit questionnaire to assist with gaining information to make an approval decision.

You should **not** ask for copies of providers' risk assessments, but should seek any information specifically aimed at helping Visit Leaders to manage their visit and complete the school/establishment risk assessment, such as a Safety Management Statement or information for specifically written for visit Leaders.

Refer to OEAP National Guidance document: 4.4h **Using external providers and facilities** and 4.4f **Assessing an adventure activity provider**.

## [12] Volunteers

If HTA uses volunteers, then:

- i) the appropriate vetting procedures (as per HTA policy) should be used including an enhanced DBS check
- ii) all volunteers have received the appropriate instruction and training in order to carry out their assigned roles on the trip
- iii) if volunteers are to be used as Visit Leaders then the appropriate instruction and training must have been given in order for them to carry out their role. They will be held accountable.
- iv) HTA must only select volunteers that it [the school] deems suitable to carry out the assigned role.
- v) HTA must make it clear to all volunteers as to the nature of their role

The Form G is provided for use with volunteers, and you will need to ensure you collect any relevant medical needs and/or dietary requirements.

Refer to OEAP National Guidance document: 3.4 **Volunteers**

### [13] Emergency procedures and incident reporting

For the purposes of these procedures, examples of an emergency might be:

- an accident leading to a fatality or other serious injury;
- circumstances in which a party member is/might be seriously at risk;
- serious illness;
- any situation in which the press or other media are, or might be involved;
- significant delays that need to be communicated to parents/others

It should be noted, however, that it is not possible to give a definitive list of what might constitute an emergency. Visit Leaders should consider any unexpected event and decide whether or not the circumstances amount to an emergency and whether the emergency procedures should be followed.

In the event of an emergency:

- The Visit Leader should refer to the Emergency Contact Form that had been completed prior to the trip for key contact details
- The Visit Leader should refer to the OES Serious Incident Protocol for key instructions

**HTA has an emergency response plan that all Trip Leaders should have with them on their trip. HTA also has set procedures for incident reporting. Both documents can be found at T:\Department Files\Educational visits\C-DOCUMENTS FOR COMPLETION.** TWC support is available in responding to media enquiries (with the involvement of the Communications Unit), please contact:

## 16A: APPLICATION FOR THE APPROVAL OF OUTDOOR AND ADVENTURE ACTIVITIES AND NOTIFICATION OF AN EDUCATIONAL VISIT ABROAD 2016/17

Name of School/Youth group: \_\_\_\_\_

Address of School/Youth group: \_\_\_\_\_

Name of \_\_\_\_\_

Party Leader: \_\_\_\_\_ Role: \_\_\_\_\_

Signature: \_\_\_\_\_

Tel: \_\_\_\_\_ Email: \_\_\_\_\_

The party leader should complete all relevant sections of this form as soon as possible once the preparations are complete. The party leader should have already received approval of the proposed visit in principle and should have regularly updated the EVC and Headteacher on the progress of the preparations. The party leader needs to pass on this application to the EVC for any comments and their signature prior to presenting it to the Headteacher.

When approval is given, a copy of this form should be retained by the Headteacher and another by the party leader. The Headteacher should be informed of any subsequent changes in the planning, organisation and staffing. Where required, the Headteacher should ensure that approval from the school governors is sought.

### Advice and Approval

#### **Outdoor and Adventure or Field Studies in 'high risk' environments.**

Telford & Wrekin schools visits, which involve **outdoor and adventure activities (OAA) or field studies in 'high risk' environments** must submit this form to:

Jo Barnett, Outdoor Education Service Manager,  
Telford and Wrekin Council, 2nd Floor Mezz. Wellington Civic Offices Larkin Way Telford TF1X  
Office Tel: 01952 382057 Mobile 07973716547

Please submit at the planning stage of the visit, or in any event, **six working weeks before the departure date. This is to allow any recommendations/changes to be acted upon.** Forms will be considered after this 6 week period but an authorisation cannot be guaranteed, the more notice you can give the better.

#### **Arthog Wales**

## HOLY TRINITY ACADEMY - EMERGENCY FORM

Emergency contact Numbers

School 01952 386100

Ensure you have the Number of the member of SLT On Call

Emergency Services UK 999

### **In the event of an accident:**

1. Establish your own safety
2. Ensure the safety of the group
3. Give immediate help to any casualties
4. Get help

### **Aim to:**

1. Preserve life
2. Prevent the condition worsening
3. Promote recovery

### **First aid check:**

1. Breathing – clear the airway – artificial ventilation
2. Beating – check circulation – external chest compressions
3. Bleeding – look and feel – pressure and elevation
4. Breaks – look and feel for irregularities – support

NOTE: do not move a casualty if you suspect serious neck or back injury unless their life is threatened

### **Essentials:**

1. Monitor – record all events and details – establish witness contact details
2. Treat for shock – reassurance and keep warm
3. Remember the rest of the group – safety, comfort, shock
4. Do not split the group – unless it is the only way to get help – leave no one on their own
5. Control indiscriminate use of mobile phones by the rest of the group
6. Ensure that a leader accompanies any casualties to hospital

### **Action:**

1. Get qualified help as soon as possible – note your location accurately
2. Contact your school, centre, unit or base – you may be in shock and need support
3. News travels fast – your school, centre, unit or base will need accurate information
4. Do not admit anything
5. Do not sign anything
6. Do not talk to the press – refer to your employer's media officer
7. Direct contact with parents should be through your establishment Senior Leadership Team

### **Incident recording**

Make an accurate record of all details as soon as possible – do not leave this until later when your memory of details may be confused.

Record details of:

1. Time, date and nature of the incident
2. Accurate incident location
3. Names of casualties
4. Details of injuries
5. Names of others involved but not injured
6. Locations of all involved when moved from the site
7. Names and contact details of witnesses
8. Action taken
9. Action still to be taken
10. An agreed forward plan

### **Notification**

1. Notify the police if necessary
2. Notify the British Embassy/Consulate if abroad
3. Parents should be notified at the earliest opportunity – preferably by your school or unit senior contact
4. Notify insurers
5. Notify the tour operator/provider
6. Media enquiries should be referred to a designed media contact
7. Do not discuss legal liability with others
8. Complete accident forms – remember RIDDOR Regulations 1995
