

HISTORY

Year 13 Historians have taken part in a revision session on the Wars of the Roses. This was led by Mr. Godwin who used his expert knowledge and extensive collection of artifacts and costumes to discuss the nature of warfare in the Medieval period. Students were able to consider the dangers and hardships involved in fighting during this period. This helped bring the Wars of the Roses alive and was a great boost to the students who are working so hard on revision in preparation for their upcoming exams.
