79.4%	A* - C grades at A Level (above National Average)
100%	Students achieving their 1st choice of University destination

Highest attaining student: A* A* A*

Once again, our Year 13 students have achieved fantastic results. The Sixth Form have a proud history of producing outstanding results and this year is no different. This is a testament to the hard work of both the students and the staff.

It isn't just the fact that all our Year 13s passed all of their examinations with fantastic grades, it is the manner in which they conducted themselves over the past 2 years. It has been their commitment to school life, managing to enjoy their learning and prepare for life post-Holy Trinity Academy.

The students will now go on to study a range of university courses from History to Primary Education, from Theology to English at universities such as the University of Durham and the University of Nottingham. Special congratulations go to students such as Daniel White who achieved AAA at A Level and were successful in obtaining places on Degree Apprenticeships. Holy Trinity Academy Sixth Form continues to be diverse and cater for students of all academic backgrounds.

For the first time in the history of our school, we are so proud to announce and congratulate Kacper Pilch who achieved A*A*A*A at A level. Not only is he the first student to undertake 4 A Levels at Holy Trinity Academy but he is also the first student in our history to be accepted into Seminary. Kacper will begin his training to become a Catholic priest later this year.
