

Students from the HTA liturgy team have supported the History department this week in the delivery of Remembrance services. An act of worship has been held each day this week for each of our four houses. The students then took part in the Remembrance service at the Clock Tower in Priorslee on Friday 10 November. This was attended by members of the local community and our local primary schools of Redhill and Priorslee Academy. This was a most dignified service. The students read poems and prayers. Members of the public were full of praise for our students. I am very proud of their achievements.

Mrs Simmonds

Head of History
