Statement of intent

Educational achievement and subsequent life chances for Looked After Children and Previously Looked After Children are of real concern. Pupils who are looked after often require additional support and attention in order to improve their situation.

- Encourage pupils to reach their potential and to make good progress in relation to their professional, social and emotional development.
- Ensure that pupils enjoy high quality teaching and a curriculum which meets their needs and the requirements of legislation.
- Plan support for LAC realistically and use the school's resources efficiently to ensure the school meets their needs.
- Promote a positive culture in all aspects of school life.
- Help pupils develop their cultural, moral and social understanding.
- Working with the wider corporate parenting team we will take an active role in applying the principles of good parenting by:
 - Giving priority to education
 - Maintaining education stability
 - Listening to children
 - Providing stability and continuity and adhering to the individuals care plan
 - Taking corporate responsibility
 - Promoting inclusion
 - Raising standards
 - Intervening quickly
 - Promoting early years experiences and post 16 progression
 - Celebrating successes.

We recognise that in meeting the needs of Children in Care, we will also be providing the additional care and support many other children also need; the needs of children in care often mirror those of other children too.

- Learn how to respond appropriately to the behavioural challenges these may manifest as, adapting any general policies appropriately.

4. Personal education plan (PEP)

All LAC must have a care plan; PEPs are an integral part of this care plan.

The PEP is an evolving record of what needs to happen for a pupil to enable them to make the expected progress and fulfil their potential. The PEP will reflect the importance of a personalised approach to learning which meets the identified educational needs of the child. The PEP will be reviewed termly.

The school, with other professionals and the child's carers, will use the PEP to support the child's educational needs, raise the child's aspirations and improve their life chances. All relevant bodies, such as the LA, the designated teacher and carers, will involve the child in the PEP process at all stages.

The PEP will address the pupil's full range of education and development needs, including:

- On-going catch-up support, which will be made available for children who have fallen behind with work.
- Suitable education provided by the LA, where the child is not in school because of suspension or exclusion.
- Transitional support where needed, such as if a child is moving to a new school.
- School attendance and behaviour support, where appropriate.
- Support to help the child meet their aspirations, which includes:
 - Support to achieve expected levels of progress for the relevant national key stage and to complete an appropriate range of approved qualifications.
 - Careers advice, guidance and financial information about FE, training and employment, that focusses on the child's strengths, capabilities and the outcomes they want to achieve.
 - Out-of-school hours learning activities, study support and leisure interests.

The VSH and the designated teacher will ensure that information is included within a LAC or PLAC's PEP surrounding how they are benefitting from any use of PP+ funding to improve their attainment. Any interventions supported by PP+ will be evidence-based and in the best interests of the pupil.

5. Working with agencies and the virtual school head (VSH)

The school will ensure that copies of all relevant reports are forwarded to the social workers of LAC, in addition to carers or residential social workers.

The school will coordinate their review meetings; for example, hold their annual review of LAC with their statutory care review.

The school will work with other agencies to exchange information, such as changes in circumstances, exclusions, or attendance issues, taking prompt action, where necessary, to safeguard LAC and PLAC.

The school will complete daily online attendance records which will enable the Virtual School to monitor the attendance of LAC and react promptly if attendance falls or unexplained absences occur. For some LAC, it is essential that the Virtual School has this information daily. Behaviour management strategies will be agreed between the Virtual School Head and the school, to ensure challenging behaviour is managed in the most effective way for that individual child.

The designated teacher for LAC and PLAC will communicate with the VSH and child's social worker to facilitate the completion of the PEP.

Through the designated teacher, the school will work with the VSH, social worker and other relevant agencies to monitor any arrangements in place so that actions and activities recorded in the child's PEP are implemented without delay. The designated teacher will communicate with the VSH and agree on how PP+ can be used effectively to accommodate the child's educational attainment and progress.

The designated teacher will ensure that the PEP targets clearly show how the PPG will be used. If necessary, this may involve consulting the VS prior to a PEP meeting to gain advice on using the PPG most effectively to accommodate the child's educational attainment and progress. If deemed necessary, the school will allocate an amount of funding to an individual to support their needs. This may draw down funds from the school's nominal high needs budget.

Additional funding for further intervention can be requested which can be commissioned through intervention packages. The designated teacher will ensure prompt, consistent and strong communication with the VSH/VS regarding LAC who are absent without authorisation.

PP+ for PLAC will be allocated directly to, and managed by, the school. The school will work with the VSH to manage allocation of PP+ for the benefit of our cohort of LAC, or PLAC, and according to their needs. If deemed necessary, the school will allocate an amount of funding to an individual to support their needs.

The designated teacher will ensure consistent and strong communication with the VSH regarding LAC who are absent without authorisation.

The school will share their expertise on what works in supporting the education of LAC and PLAC. This may be across a MAT or through network meetings provided by the VS.

6. Training

The designated teacher and other school staff involved in the education of LAC and PLAC have either received or identified and prioritised the appropriate training, this includes information about the following:

- School admissions arrangements
- SEND
- Supporting SEMH

- Attachment and impact of trauma
- Attachment Research Community – Relational Approaches
- Attendance/Suspensions/Exclusions
- Homework
- GCSE options
- Managing, understanding and responding to behaviours which challenge
- Promoting positive educational and recreational activities
- Supporting pupils to be aspirational for their future education, training and employment
- Safeguarding

The governing board will ensure that staff are equipped with the skills, knowledge and understanding necessary to keep LAC and PLAC safe through training.

7. Safeguarding

The school recognises that many LAC and PLAC have experienced trauma, abuse or complex family circumstances that have led to them being placed in care, and will ensure that all staff are aware that experiences of adversity such as these can leave pupils vulnerable to further harm or exploitation.

All staff will be trained to recognise signs and indicators of safeguarding concerns and will ensure that extra vigilance is practiced in observing and identifying these indicators amongst LAC and PLAC as soon as possible.

Where a looked-after child or previously looked-after child has a social worker, this will inform decisions about safeguarding, e.g. responding to absence from education where being absent from education may increase known safeguarding risks within the family or in the community.

The headteacher will implement appropriate pastoral support services in place throughout the school to ensure that the welfare of LAC and PLAC can be adequately protected to the extent that reflects their increased vulnerability.

Staff will be encouraged to report to the DSL any concerns they have over LAC or PLAC in line with the processes outlined in the Child Protection and Safeguarding Policy.

Staff will be regularly encouraged to look for signs of bullying and report to the designated teacher if they believe a looked-after child or previously looked-after child is being bullied, as this can have a particularly negative impact on pupils who have early experiences of rejection or abandonment.

8. Pupil mental health

LAC and PLAC are more likely to experience the challenge of social, emotional and mental health (SEMH) issues which can impact their behaviour and education. The designated teacher will have awareness, training and skills regarding a child's needs and how to support them in relation to behaviour management and mental health.

The designated teacher will work with the VSH to ensure the school is able to identify signs of potential mental health issues, understand the impact issues can have on LAC and PLAC, and knows how to access further assessment and support, where necessary.

The school understands that the increased frequency of mental health problems amongst LAC and PLAC may present a barrier to adequately identifying when mental health problems are indicative of a safeguarding concern. For this reason, the designated teacher will ensure that they, and all staff who maintain regular contact with LAC or PLAC are vigilant surrounding any changes in the mental health, behaviour, social inclination or mood of these pupils.

To measure, if necessary, the emotional and behavioural difficulties experienced by LAC or PLAC, a Strengths and Difficulties Questionnaire (SDQ) will be used to help social workers and other relevant professionals to form a view about their emotional wellbeing. Teachers will regularly complete their element of the questionnaire to assist social workers in their assessment. Every spring term, an Education SDQ is requested and needs to be completed by schools prior to the Spring term PEP date. This is for annual Education reporting and triangulation with Health & Social Care.

The school's mental health and wellbeing lead will work alongside the designated teacher to promote the wellbeing and mental health of LAC and PLAC, and will always either be a member of, or be supported by the senior leadership team and could be the pastoral lead, SENCO, or DSL.

The school's SEMH Policy will be adhered to when dealing with all potential or explicit mental health issues that LAC or PLAC may face.

9. Suspension and exclusion

Past experiences of LAC and PLAC will be considered when designing and implementing the school's Behaviour Policy and Suspension and Exclusion Policy.

The school will have regard to the DfE's statutory guidance '[Suspension and permanent exclusion from maintained schools, academies and pupil referral units in England, including pupil movement](#)' and recognises that suspending or excluding LAC can make them more vulnerable to harm due to not having the protection and opportunities school provides. The headteacher will balance this recognition alongside the need to ensure calm and safe environments for all staff and pupils, devising strategies that take both into consideration.

The school will have regard to Telford and Wrekin's 'Belonging Strategy'.

The school will have regard for [Telford & Wrekin Council Rarely Exclusion](#) documentation (published May 2023).

The school will engage with ARC Attachment Research Community in prompting educational outcomes for Children in Care. [Attachment & Trauma Aware approaches in education | ARC \(the-arc.org.uk\)](#)

Where the school has concerns about a LAC's behaviour, the VSH will be informed at the earliest opportunity. As far as possible, the school will engage proactively with the social worker or carer of an LAC to provide appropriate support for underlying issues that may be causing poor behaviour and improving this behaviour.

As part of the termly review of a pupil's PEP, any concerns about their behaviour will be recorded, alongside information on how they are being supported to improve this and reduce the likelihood of exclusion.

Permanent exclusion will only be used as a last resort. Permanent exclusion will only occur where there has been serious and/or persistent breaches of the school's Behaviour Policy, or where allowing the pupil to remain in school would seriously harm the education or welfare of others.

Where a looked-after child is at risk of being suspended or permanently excluded, the school will engage with the designated teacher and the pupil's parents, or other individuals involved in the pupil's care. The designated teacher will contact the VSH as soon as possible to work together, and with other relevant individuals, to consider what additional assessment and support needs to be put in place to help the school address the factors affecting the pupil's behaviour and reduce the need for suspension or permanent exclusion.

The school will inform parents that they can seek the advice of the VSH on strategies to support their child to avoid exclusion. In the event of a suspension, the school will ensure that suitable alternative provision will be in place from the first day of the suspension. The school will inform parents and carers that they can seek the advice of the VSHT on strategies to support their child to avoid suspension for PLAC.

Where a looked-after child is excluded, the school will document the provision of immediate suitable education in the pupil's PEP.

10. Pupils with SEND

Support for LAC with SEND, who do not need an EHC plan, will be covered as part of the child's PEP and care plan reviews. In addition to following the [SEND - Local offer \(telfordsend.org.uk\)](https://www.telfordsend.org.uk). The expectation is that if a child in care is placed on the school's SEND register for support then information is shared with the corporate parent- Virtual School, Social Worker and parents (if appropriate).

The SENCO, class teacher, designated teacher and specialists will involve parents when considering interventions to support their child's progress. If appropriate, the VSH will be invited to comment on proposed SEND provision for PLAC.

The designated teacher and the SENCO will ensure that LAC and PLAC with SEND are supported in line with the SEND Policy, with extra consideration given to the fact that some of the usual procedures for supporting pupils with SEND may lack applicability for LAC, e.g. where LAC are in residential care and, thus, will have their EHC plans taken care of by the LA rather than the general stipulation of the place where they are ordinarily resident.

11. Information sharing

Appropriate and specific arrangements for sharing reliable data are in place to ensure that the education needs of LAC and PLAC are understood and met. The arrangements set out include:

- Who has access to information on LAC and PLAC and how the security of data will be ensured in order to comply with the latest GDPR.
- How pupils and parents are informed of, and allowed to challenge, information that is kept about them.
- How carers contribute to and receive information.
- Mechanisms for sharing information between the school and relevant LA departments.
- How relevant information about individual pupils is passed between authorities, departments and the school when pupils move.

12. Monitoring and review

This policy will be reviewed on an **annual** basis by the designated teacher and the headteacher. The next scheduled review date for this policy is **January 2025**.

All changes to this policy will be communicated to all relevant stakeholders.
