

Holy Trinity Careers and IAG plan 2024-2025

All activities listed below take place during curriculum time and, unless highlighted, are available to all students.

In Years 9 and 10, selected students receive an early intervention 1:1 careers interview with an independent careers advisor. All students receive at least one 1:1 careers interview in Years 11 and 13.

Named careers lead – Miss Easton

Named Governor – Miss Pauline Boyle

Provider Access Legislation (PAL)

The new Provider Access Legislation (PAL) specifies schools must provide at least six meaningful encounters with approved providers of apprenticeships and technical education for all their students (two encounters per key stage). For further information relating to PAL, please see our Careers Strategy.

Details of these encounters for KS3 and 4 are listed above in bold.

KS5 have taken part in a talk from Capgemini about degree apprenticeships and have visited a range of universities to see the broad range of academic and technical qualifications available.
