

Prayer With A Liturgical Shape [Acts of Collective Worship]

Every week we focus on the Gospel Reading from the previous Sunday and come together to listen to the Scripture, reflect on it and pray. This is our weekly 'Prayer with a Liturgical Shape'. Various staff and students throughout the school take the time to prepare and lead the rest of the school in these ... from the SLT, staff, our new Chaplain, the Sixth Form students, the Student Chaplaincy Team and Form Groups. It is in this worship that we listen, learn and pray together.

The rota for the year 2024 - 2025 is below ...

Holy Trinity Academy is also striving to work with other members of our Faith, Church and School community to celebrate our Christian faith through 'Prayer with a Liturgical Shape'. Last year saw students from Donnington Wood Church of England school visit us in January to participate in this particular form of worship.

It is now the aim of the Student Chaplaincy Team to visit various Primary schools to deliver and lead other schools and students in 'Prayer with a Liturgical Shape'.
