56.7%	A* - C grades at A Level
100%	A* - E grades at A Level
100%	Students achieving their 1st choice of University destination

Highest attaining student: A* A A

Our Year 13 students have achieved fantastic results. The Sixth Form have a proud history of producing outstanding results and this year is no different. This is a testament to the hard work of both the students and the staff.

Once again, the students have achieved a 100% pass rate.

It isn't just the fact that all our Year 13s passed all of their examinations with fantastic grades, it is the manner in which they conducted themselves over the past 2 years. It has been their commitment to school life, managing to enjoy their learning and prepare for life post-Holy Trinity Academy.

The students will now go on to study a range of university courses from Games Technology to Popular Music Performance at universities such as the BIMM and Birmingham City University. Congratulations go to students such as Benjamin Garbett who was successful in obtaining a Degree Apprenticeship with Capgemini [Telford]. Holy Trinity Academy Sixth Form continues to be diverse and cater for students of all academic backgrounds.

A special mention goes Wiktor Ilkow who was our highest achieving student. He achieved a Grade A in Mathematics, Grade A in Geography and a Grade A in Computer Science. He was also awarded a Grade A for his EPQ. Holy Trinity students continue to exceed their target grades and achieve the top grades.*
