

## Student Performance Feedback Overview

Feedback on student performance is provided at least three times a year. Each student will receive a predicted grade and an Attitude to Learning (ATL) score for each subject. Additionally, diagnostic feedback for each subject will be accessible on the MCAS platform.

A notification will be sent when the performance data is available for viewing.

Furthermore, parent evenings are scheduled at least once a year, as outlined in the schedule below. This provides an opportunity for parents to discuss their child's progress and address any questions or concerns.

Thank you for your continued support in fostering student success
