

Dear parent/carer,

As you will be aware, your year 7 child has been fortunate enough to study both French and Spanish this year. Now that the students have had a taste of each language, we are exploring the possibility of allowing students to focus their studies on just one language for the remainder of year 7 & 8.

The latest data for your child for French and Spanish can be found on MCAS.

In order to plan for this, please click the link below to indicate the preferred language for your child. Deadline for responses is Wednesday 28<sup>th</sup> February. **Please note, not all requests may be accommodated.** There is no benefit to completing the form early, so please be certain of your child's preference before submitting the form. If a mistake is made, you can edit the form prior to the submission deadline. (instructions are shared below)

I will be speaking to all students regarding this matter in an assembly.

[Language preference for year 7 \(2026\) – Fill in form](#)

## How to Edit Your Option Choice After Submitting the Form

1. **Check Your Email**
  - After you submit the form, you will receive a confirmation email from Microsoft Forms.
  - This email includes a link to **edit your response**.
2. **Click the Edit Link**
  - Open the email and click **Edit your response**.
  - This will take you back to the form with your previous answers already filled in.
3. **Update Your Choice**
  - Change your option choice as needed.
  - Click **Submit** again to save your changes.
4. **Important**
  - You only need to submit the form **once**. Use the edit link if you change your mind.
  - Do **not** submit a new form—always use the edit link.
