£5million Appeal

Dear parents and students,
The Lingen Davies centre has launched their biggest appeal to date - The Sunflower Appeal - a **£5million** appeal to grow cancer care across our region. This will be done through the creation of a **Lingen Davies Chemotherapy Centre in Telford's Princess Royal Hospital**, which will be up and running by 2029.

This means patients will not have to travel from Telford to Shrewsbury for treatment.

The Telford T50 50 Mile Trail Relay Challenge

Your amazing staff have agreed to run the Telford T50 trail around Telford on Saturday 16th May. **Staff will run all 50 miles as a relay.** This will involve lots of hard work, especially for Mrs Adams and Mr Harper who have agreed to run the leg that is up and over the Wrekin!
